Beverly Turek
Certified Network Computer Technician

Recently Beverly Turek received the Certified Network Computer Technician Certificate. This certificate shows that she knows the Networking ins and outs of computers. It covers everything from Operating Systems and Hardware, to the different types of networks and services. She also knows the operations, standards and definitions need for setting up, updating or fixing networks. The training needed for this certificate also teaches disaster training for networks.

*Beverly Turek Named as Finalist in
Fourth Annual Stevie® Awards
for Women in Business*

Beverly Turek, President of Turek's Computer DR was named a Finalist in the Mentor of the Year category in The Fourth Annual Stevie Awards for Women in Business, presented by Infiniti. The Stevie Awards for Women in Business honors women executives, entrepreneurs, and the companies they run – worldwide. Honoring companies of all types and sizes and the people behind them, the Stevies recognizes outstanding performances in the workplace worldwide.

“Being named a Finalist in The Stevie Awards for Women in Business is an important achievement,” said Michael Gallagher, president of the Stevie Awards. “It means that independent business executives have agreed that the nominee is worthy of recognition. We congratulate all of the Finalists on their achievement and wish them well in the competition.”
